Nature of Work

Internal to WV Department of Arts, Culture and History

Job Posting: CH20250012

Under the general supervision of the site manager at Camp Washington-Carver in Fayette County, the candidate will perform a variety of skilled and semi-skilled work in connection with maintenance and repair of the Camp Washington-Carver grounds. Duties include assisting with carpentry, plumbing, electrical, masonry, and other maintenance needs. Repairing, replacing, and/or installing lighting fixtures, bulbs, and switches using various power and hand tools. Repairing sinks, toilets, faucets, pipes, and drains. Preparing and working with cement; painting buildings and offices. Gathering and disposing of trash and waste materials; moving furniture; loading and unloading supplies; moving equipment by hand or with dollies. This position monitors operational readings and tools and equipment as needed. Performs building service work such as sweeping, mopping, and vacuuming floors and washing walls, windows, mirrors, and fixtures. Performs routine grounds work such as removing snow, cutting grass, sweeping sidewalks and picking up trash. Related duties as required. Work hours may include evenings, weekends and holidays. Other duties as assigned. A successful criminal background check may be a condition of employment.

Location of Position: Camp Washington-Carver, Fayette County
 Number of Vacancies: 1
 Position Number: 0432P00065

Minimum Qualifications

Training: No formal education required.

Experience: Two years of full-time or equivalent part-time paid experience in building maintenance or as a helper in a building trade.

Special Requirement: Specific positions may require certification from a federal EPA approved testing organization as a certified technician required by the Clean Air Act on refrigerant recycling.
